MEDIA RELEASE

By Sgt. Michael Reagle
April 14, 2009

Release #1:

As the weather begins to change, the Garden City Police Department is starting to see more reports of auto burglaries; especially involving unlocked vehicles. We would like to remind everyone of the importance in keeping your vehicle locked, even if you are only going to be away from it for a short time. It only takes a thief a few moments to enter an unlocked vehicle to steal something.

Equally as important as locking your car, is to not store valuables inside your vehicle. If for some reasons you must keep valuables in your vehicle, please store them in your trunk, or out of sight. Your vehicle becomes a target for thieves if it is left unlocked and if valuables are in plain site.
