## **MEDIA RELEASE**

By Sgt. Michael Reagle  
August 28, 2009

### **Release #1:**

The Garden City Police Department is requesting the public's help in solving five armed robberies that have occurred in various locations of the city. In each of the incidents, the victims have arrived home late at night and were approached after exiting their vehicle. In four of the incidents the suspect has been described as a slender built black male who is approximately 5'8" tall. The suspect in the fifth robbery was described as being a slender built white male who is approximately 6' tall.

To help solve these crimes, Crime Stoppers and the Garden City Police Department are together offering a reward of up to \$1,500.00 for any information that leads to the arrest and conviction of the individuals involved in these crimes. We are requesting anyone with information about these incidents to call Crime Stoppers at (620) 275-7807. You can remain anonymous.

And again, if you are going to arrive home after dark, please leave your porch light on or install motion lights to keep the area around your home well lit. Be aware of your surroundings and look for anything suspicious or out of the ordinary. If you think something is wrong, call us to investigate before you park. If you are approached, remain calm and get the best description of the suspect you can and call 911 immediately. By working together, we have a better chance of getting these criminals off our streets.
