Release #1:

On Monday, March 9, 2009 at approximately 9:35 p.m. officers of the Garden City Police Department investigated an alleged sexual assault that occurred in the north central part of the city.

Officers arrested Bobby Beverly (59-years-old, of 305 West Mary Apartment K2, Garden City, KS) and lodged him in the Finney County Jail on allegations of aggravated sexual battery, aggravated burglary, criminal restraint, criminal damage, sexual battery, and battery. It is alleged Beverly was at a small party when he inappropriately touched a 20-year-old Garden City woman without her permission. Beverly was told to leave the party when this occurred.

Beverly then allegedly entered without permission the nearby residence of a woman who had left the party after the initial incident. While inside the residence, Beverly allegedly punched the 40-year-old Garden City woman and engaged in a struggle with her. It is alleged Beverly attempted to sexually assault the woman during the struggle. The woman was able to escape from the residence and the Garden City Police Department was called. Beverly was no longer on scene and officers located and arrested him a short time later. Neither of the women were physically injured from the incident.
