MEDIA RELEASE

By Sergeant Michael Reagle
October 13, 2009

The Garden City Police Department invites members of our community to participate in a survey about texting while driving. The survey is six (6) questions long and asks for your opinion on individuals using a cell phone to text while they are driving. The responses will be evaluated to determine the public's view on this issue.

A link to the survey will be located on our Web site at www.gcpolice.org. The survey is available now and will end on November 12, 2009.
