**Release #1:**

Between April and November of 2011, the Garden City Police Department investigated numerous auto burglaries involving items stolen from unlocked vehicles. These burglaries occurred in various locations throughout the city with the northern part of the city being hit particularly hard. Officers received a tip indicating who may have been involved in the burglaries and after further follow up, officers arrested Kiefer Meade (16), Sylvester Mitchell (17) and Alexander Embrey (17), all of Garden City, for their alleged involvement. It is alleged the three suspects either walked or rode bicycles around town looking for unlocked vehicles to steal items out of. The suspects allegedly carried backpacks to carry various items they could easily remove from the vehicles.

Alex Embrey was arrested December 19, 2011 on allegations of 22 counts of auto burglary, theft and conspiracy. Kiefer Meade was arrested December 21, 2011 on allegations of 25 counts of auto burglary, theft and conspiracy. Embrey and Meade were both released to P.A.T.H. Sylvester Mitchell was arrested and lodged in the Southwest Kanas Regional Juvenile Detention Center December 23, 2011 on allegations of 25 counts of auto burglary, theft and conspiracy. The estimated loss during the course of the burglaries is \$4,000.00.
